Milestone Highlights

Proudly aligned with our founding company, Fiesta Catering, a leader in catering since 2012, with 400+ employees serving 5,000+ meals daily. In 2020, we hit 24 million meals served. In 2022, Tizita Amare Kitchen took over operations, partnering with RSS, marking a new phase in our journey.

2016

Founded in 2016 by Tizita Amare, our journey began with the boutique restaurant & cafe named City Breeze. As part of Fiesta Catering Company, we expanded to supply dry goods for the continent's largest railroad project, contracted by Yapi Merkezy.

2019

Continuing our legacy of leadership, this year marked a significant milestone as we secured a contract with Ethio Telecom. We provide catering, events, and lunch box services for seven stationary and satellite offices around the capital, and we proudly maintain this contract to this day.

2022

Excited to share a major achievement this year. We forged a strategic partnership with RSS, an international remote site solutions company based in South Africa. This collaboration led to securing a two-year contract for a geothermal drilling project with The Marriott Drilling Company, further solidifying our position as a key player in the industry.
